PlanLafayette Week 2015

The Comprehensive Plan, **PlanLafayette** was adopted by the Planning Commission on June 10, 2014. It was endorsed by City-Parish Council by resolution on July 1, 2014.

Since the plan passed midway through the fiscal year, this year's report card documents both the success of the public outreach effort leading up to the plan's passage and the implementation efforts since adoption.

LCG has identified ongoing work on at least **152 of the 465** action items within 6 months of the plan's adoption

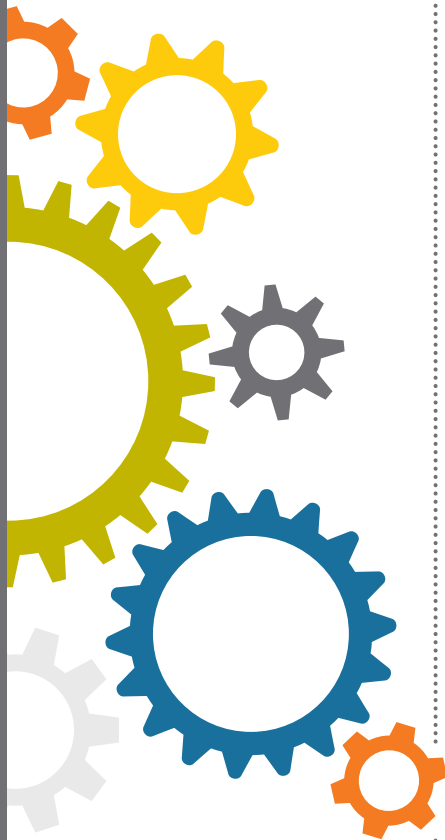

**40**

Action Items being addressed by Project Front Yard

**34**

Action Items being addressed by Unified Development Code

Read all 465 action items at [www.lafayettela.gov/comprehensiveplan](http://www.lafayettela.gov/comprehensiveplan)

**2014 HIGHLIGHTS**

- Improved **bike facilities** on St. Landry and St. Mary
- Secured EPA technical assistance grant to develop **local food economy**
- Passed several changes to the **litter laws**
- Secured private funding to fund enforcement position and several other **Project Front Yard** initiatives
- Rebranded adopt a road program to "**Embrace a Space**"
- MPO (Metropolitan Planning Organization) adopted a **Complete Streets** policy

**EFFORTS UNDERWAY**

- Awarded **Transportation Alternatives Program** grant to help build streetscape along Bertrand Drive, engineering to begin in February
- Began work to develop a **Return on Investment Tool** to accurately and comprehensively calculate ROI on public infrastructure improvements
- Pursuing construction of a **new river crossing** at South City Parkway
- Installation of **new bus shelter facilities**
- Unveiling of a **neighborhood toolkit**
- Began work on revisions to the **vehicle for hire ordinance** to improve service in Lafayette
- Started the design of the **Garfield Linear Park**, a park that will exhibit complete streets, green infrastructure and park space

The action items in the plan were grouped into four **BIG IDEAS**. In 2015, four of LCG's major initiatives align with these themes.
